

Proposal – Therapy Platform for Dr. Dina Maamari

Prepared by: LibanReach Agency

Client: Dr. Dina Maamari – Certified Therapist

Executive Summary

LibanReach proposes the development of a professional digital platform for Dr. Dina Maamari's therapy practice. The platform will serve as a secure and user-friendly system where new patients can register, existing patients can log in, manage prepaid balances, and book therapy sessions. Seamless payment processing will ensure scalability, patient trust, and smooth financial operations.

Objectives

- Establish an online platform that reflects professionalism and discretion.
 - Enable patient self-service: registration, login, session booking, and prepaid balance tracking.
 - Support Dr. Dina with an admin dashboard for managing appointments, content, and testimonials.
 - Provide a scalable technical base for future expansions.
-

Core Features

Development (Client View / Interface)

- **User Authentication (4 Pages):** Secure sign-up/login and "Forgot password" and "Reset Password" features for patients.
- **Balance System (1 Page):** Display prepaid session credits + Deposit Form (according to available bundles created from the admin panel, as detailed below).
- **Appointment Booking (1 Page):** Appointment booking form with notifications, acceptance/decline options (by Email/WhatsApp), and prevention of double-bookings.
- **Booking Calendar (1 Page):** Clients can view their upcoming and past bookings.
- **Payment History (1 Page):** Clients can view their past payments with date/time.
- **User Profile Page (1 Page):** Clients can manage their profile info (change first name, last name, email, password, phone number, date of birth).
- **Homepage:** Introductory brief, hero banner, carousels, etc.
- **Contact Us:** Contact form + address, phone, email, and general business information.
- **About Us:** Business description + company profile brief (Mission, Values, Vision).

- **Testimonials:** Client feedback and ratings (managed and published from the admin portal).
 - **Terms & Conditions:** Managed from Admin Panel.
 - **Privacy Policy:** Managed from Admin Panel.
 - **Payment Policy:** Managed from Admin Panel.
-

Development (Admin Panel / Admin View)

Accessible by Dr. Dina for managing:

- **User Management:** View and modify registered users and their information.
 - **Appointments:** View and manage appointment details (accept/decline, postpone, update booking statuses such as pending, completed, cancelled, etc.).
 - **Payment History:** View all past transactions.
 - **Homepage Content Management.**
 - **Contact Us Management:** View received messages from potential clients/patients.
 - **About Us Content Management.**
 - **Testimonials Management.**
 - **Terms & Conditions Editing.**
 - **Privacy Policy Editing.**
 - **Payment Policy:** Pulled from payment gateway policy.
-

Technology Stack

- **Frontend:** React
 - **Backend:** Node.js
 - **Database:** MongoDB
 - **Payments:** Stripe (for online credit card/VISA payments)
-

Deliverables

- **Fully functional therapy platform (responsive website).**
 - **Admin dashboard for therapist management.**
 - **Secure payment integration.**
 - **Training session for platform use.**
-

Timeline

- **Week 1–2: UI/UX design, content structure.**
 - **Week 3–5: Development of core features.**
 - **Week 6: Payment integration + testing.**
 - **Week 7: Final testing, training, launch.**
-

Next Steps

1. **Review the scope and confirm features.**
2. **LibanReach provides the final quotation accordingly.**
